DESCRIPTION :

Material Description : Polyethylene (PE)

STANDARDS :

- Grey and white BRUTE lids are NSF and USDA Meat & Poultry Equipment Group listed and compliant with HACCP requirements.
- Certified EN food contact compliant by LNE (grey, white and yellow only).

NSF : NSF lists products which meet their criteria for cleanability and sanitation : food contact, splash zone and non-food contact.

USDA : United-States Department of Agriculture Equipment Listing (Meat, Poultry and dairies). Items that comply with USDA regulations via the design, construction and materials of a product.

HACCP : HACCP defines critical control points and related processes to ensure basic hygiene requirements are met in professional kitchens.

LNE : The laboratoire National d'Essais is an independent testing laboratory based in France. It lists products which meet their criteria for safety.

FOOD CONTACT (Glass & Fork) : This logo guarantees compliance with the European Community regulation EC n° 1935/2004 and Directive 2002/72/EC that define standards for items that will be in contact with food.
