CHARACTERISTICS

Tool for opening plastic buckets

Made of stainless steel 304 L

Thanks to this tool, you no longer need to scrape your fingers to open a plastic bucket! The bucket lid opener is very practical for removing lids from plastic buckets effortlessly, without injuring yourself or damaging the lid.

Thanks to its spout, all you need to do is apply a leverage to the bucket lid opener to detach the plastic lid from the bucket without hurting your fingers or damaging the plastic.

Overall dimensions: L.202 l.58.5 mm

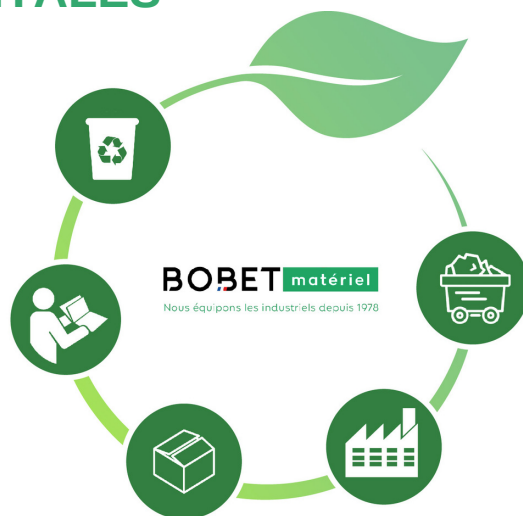

Weight: 0.400 kg
