Designation : **Upright dustpan 5662**

Code bobet : **23376 : blue**

Selling Unit : **Unit**

Non-contractual pictures

**CHARACTERISTICS**

Upright pan for a smooth and steady movement while sweeping and collecting dry and wet particles.

The enlarged rear and side walls enable the dustpan to hold larger volumes of debris.

Particularly suitable for use in combination with the brush 3105 (Bobet code 23377) and the handle 2933 (Bobet code 23378).

DESCRIPTION :
