Selling Unit : **Unit**

Non-contractual pictures

**CHARACTERISTICS**

- Stretch film intended for the manual wrapping of pallets, cast quality PE polyethylene film.
- Material: polyethylene (PE)
- Thickness in microns: 15 (code 89001 or code 24241) or 30 (code 23297)
- Recyclable
- Tear resistant

Code 89001:

- * Width 450mm x length 300 meters
- * 15 microns
- * gross reel weight: 2100 g
- * chuck weight: 240 g
- * color: clear

Code 23297:

- * Width 450mm x length 230 meters
- * 30 microns
- * gross reel weight: 3100 g
- * chuck weight: 240 g
- * color: clear

Code 24241:

- * Width 450mm x length 300 meters
- * 15 microns
- * gross reel weight: 2100 g
- * chuck weight: 240 g
- * black color

Packaging: 6 rolls per carton
