CHARACTERISTICS

The 3M™ First Base™ + bump cap range protects the user for a wide variety of low risk applications

- Adjustment of the adjustable cap using a black plastic buckle that connects the two parts
- Reduced visor: 55 mm
- Modern and light, cap very well accepted by wearers
- Breathable microfiber outer material for added comfort
- Mesh vents on the side and top of the cap provide maximum breathability
- Flexible shell, made of durable ABS plastic
- Contoured profile above the ears which allows better compatibility with other PPE
- Head circumference: 52 - 65 cm
- Ventilated cap
- Color: Navy blue

APPLICATION :

- Protects the head against blows, shocks and scalp lacerations
- Not to be used for applications requiring the mandatory wearing of safety helmets

STORAGE / MAINTENANCE :

Cap with machine washable fabric

- Washing temperature 60°C maximum
- Do not dry clean
- Do not bleach
- Moderate drying program at 60°C maximum

STANDARDS :

- Complies with EU regulation 2016/425 relating to personal protective equipment

- Complies with EN 812:2012 anti-impact cap
