## CHARACTERISTICS

Code : 24284 (droite/**straight**)

Code : 24285 (oblique/**bevel**)

Allows to catch and removes with ease and speed, even stubborn bones of any size, while preserving the flesh of the fish.

- Tweezer offering an optimised spring effect and flexibility thanks to its "rebund" technology that allows to limit unnecessary efforts: less fatigue during use
- The integration of pads increases comfort by avoiding the cold and angular contact of steel
- Polypropylene pads, overmoulded to ensure watertightness and robustness
- Bevelled ends for more precise edge gripping
- 12 cm stainless steel tweezer - straight ends
- Tweezer dimensions: 12 x 2 x 3.3 cm
- Weight: 45g
- Packaged on kraft card with European fastener
- Dishwasher safe
