Designation : **Freezer bomber jacket X28B**

Code bobet :

**23006 : S.S**

**23007 : S.M**

**23008 : S.L**

**23009 : S.XL**

**23010 : S.XXL**

Selling Unit : **Unit**

*Non-contractual pictures*

**CHARACTERISTICS**

- High fleeced collar for more comfort
- Elasticated waist to prevent air intake
- Pockets on the arm with place to put a pen
- Mitts for more protection
- Zipper to facilitate closing of the jacket with your gloves
- Clo-Insulation patented thermal insulation located on the parts most exposed to perspiration : maximizes the breathability of the garment and keeps the body at an optimal temperature, even during periods of intense effort
- Pocket inside the jacket and passages specially designed for the routing of the connection of voice control systems
- Ultra-sturdy fabric offering maximum wear resistance, located on heavily stressed areas : increases the longevity of the garment
- Breathing membrane located on the back: allows to regulate the air and the temperature around the body, thus bringing a perfect breathability
- 2 large low pockets with flaps on the front, extremely practical for storing your belongings and gloves
- Weight: 1.147 g

**APPLICATION :**

TEMPERATURE RANGE : resistant to temperatures from -5 to -40°C (depending on the activity and wearing duration of the garment)

**WASHING INSTRUCTIONS :**

- Machine washable at 40°C
- Tumble-dryer at low temperature - Do not exceed 40°C
- No ironing
- No dry cleaning
