ARTICLE

Designation : **Hot-Shot livestock paddle**

Code bobet : **24660 : GREEN**

Selling Unit : **Unit**

Non-contractual pictures

CHARACTERISTICS

The durable, lightweight green plastic head acts as a visual barrier for livestock.

The head is filled with balls that produce a sound to attract the animal's attention and encourage it to move in the desired direction.

The golf club style handle provides a comfortable grip.

DESCRIPTION :

Weight : 0.53 Kg

Length : 1.07m
