- Weight: 15kg

SPARE PARTS

- Stainless steel blade – Bobet code
- Torsion spring – Bobet code
- HDPE tray – Bobet code

ALIMENTARITY :

To guarantee their longevity, our products are manufactured from austenitic stainless steel (food contact), conforming to standards 1.4301 (304) and 1.4307 (304L). The components are assembled in our workshops, under a controlled atmosphere, using the welding process.
