CHARACTERISTICS

WORM DRIVE HOSE CLIP

(including a screw-machined part, a stainless steel band and a compact housing)

The ladder hose clip is used for applications in which the band flexibility is essential.

BENEFITS :

- With smooth and raised edges, it avoids any risk of injuries
- Can be mounted without any specific tool
- The range, with 8 and 14 mm width, in stainless steel 304, is perfectly adapted to meet the needs of users requiring a low cost clip.

Material (band, screw and housing) : stainless steel 304 (AISI 1.4301)

APPLICATION :

APPLICATIONS : Essentially household for DIY, gardening. Can also be used for maintenance in industries.

Band width (mm)	Clamping range	Code Bobet
8	10-16	402
8	14-22	403
8	18-28	404
14	18-28	413
14	24-36	414
14	35-50	416
14	50-70	418
