* Code 23152 :

- External dimensions: 1200x800x740 mm
- Internal dimensions: 1125x725x600 mm
- Weight: 34.5 kg
- Usable volume: 470 liters
- Maximum dynamic load capacity: 1200 kg (unit load)
- Blue cover 1200x800 sold separately : code BOBET 23153

* Code 21980 :

- External dimensions: 1200x1000x740 mm
- Internal dimensions: 1125x925x590 mm
- Weight: 36,5 kg
- Usable volume: 610 liters
- Maximum dynamic load capacity: 1200 kg (unit load)
- Blue cover 1200x1000 sold separately : code BOBET 21932

- Locking : Integrated interlocking corners allow safe transport and storage processes
- Labelling fields : boxes can be individualised with hot-stamping of lettering, logos or sequential numberings
- Stippled area : special stippled area for easy attachment and removal of adhesive label
- Transponder bracket : bracket for optional integration of RFID tags for optimised traceability
- Ram protection : wall reinforcement through additional ribs increases resilience against forklift tines
- Smooth interior walls : facilitate easy cleaning and drying and allow for easy emptying of contents
- Injection-moulded runners : one-piece injection-moulded box with robust runner connections. Increases lifetime and hygiene and facilitates ideal running on conveyors
- Space-saving transportation. Empty boxes can be stacked as well as box stacked "3 into 2" for further space saving when transporting or storing empty boxes

Complies with regulation 10/2011 relating to plastic materials in contact with foodstuffs.
