ARTICLE

Designation : **Stainless steel pallet truck high lifting**

Code bobet : **23699**

Selling Unit : **Unit**

Non-contractual pictures

**CHARACTERISTICS**

- In 304 stainless steel
 - Practical, robust, efficient
 - All parts are made of stainless steel for total protection against corrosion
 - Lifting capacity of 1000 kg real allowing to transport and lift loads up to a height of 800 mm
 - Equipped with two side stabilizers which block the pallet truck above 300 mm of elevation, giving it excellent stability
 - Indispensable in all sectors requiring perfect hygiene and/or anti-corrosion
 - Combines the qualities of the manual pallet truck with the advantages of the lifting table
 - Nylon wheels and rollers
 - High frame ensuring better user protection
-
- Capacity: 1000 kg
 - Lift height: 800 mm
 - Lowered fork height: 85 mm
 - Fork length: 1150 mm
 - External width of the forks: 540 mm
 - Width of a fork: 160 mm
 - Thickness of a fork: 20 mm
 - Wheel center distance: 1140 mm
 - Weight: 120 kg

REGULATIONS :

Compliant with Machinery Directive 2006/42/EC

Complies with the following standards:

- ISO 3691-5: 2017
- EN 1175-1
- EN 1757-4
