Designation : **PUROFORT® MULTIGRIP O4 white boot**

Code bobet :

20916 : S.36 | 20921 : S.41 | 20926 : S.46

20917 : S.37 | 20922 : S.42 | 20927 : S.47

20918 : S.38 | 20923 : S.43 | 20928 : S.48

20919 : S.39 | 20924 : S.44 | 20929 : S.49

20920 : S.40 | 20925 : S.45

Selling Unit : **pair**

Non-contractual pictures

CHARACTERISTICS

- Material : polyurethane
- Colour : white upper - blue sole

PUROFORT® TECHNOLOGY

LIGHT BOOT : move 2.5 kg less per day. The PUROFORT® boots are 35% lighter than traditionnal rubber boot (S.42 weight : 1.546 kg/pair)

WATERPROOF : Outstanding isolation : -20°C. Flexible and soft even at low temperature

DURABLE : Tested in laboratory and in practice : it lasts up to 3 times longer than traditionnal rubber boots

High resistance to abrasion

Resistant to wear and tear

Easy to clean

RESISTANCE : Mineral, animal and vegetable oils and greases, disinfectants, manure, solvents, chemicals

BENEFITS :

- Suitable for orthotics
- Easy to clean thanks to its new smooth design and whiter
- New insole in polyurethane
- Removable insole
- Wide cap
- Red lining with closed seam : easy to remove (without hands) and antibacterial
- Injection point hidden
- Improved antislip properties (SRC)

STANDARDS :

In compliance with the European Regulation UE 2016/425 on personal protective equipment

In compliance with the European EN ISO 20347:2012 O4 FO CI SRC

Without safety cap

O4 : antistatic shoes ; energy absorption in the heel

FO : Hydrocarbons resistant sole

CI : Insulation against cold
