Designation : **SMS stainless steel 3-piece welding coupling**

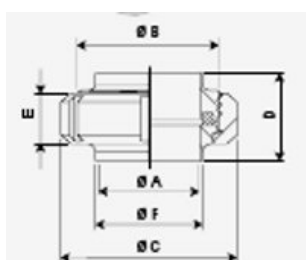

Code bobet : *See table below*

Selling Unit : **Unit**

Non-contractual pictures

CHARACTERISTICS

3-piece welding coupling

Coupling type DAIRY with round thread for an easier disassembly

Material :

- * stainless steel 316 for the threaded part and the smooth part (in contact with foodstuff)
- * stainless steel 304 for the nut

Ce raccord est composé: a threaded part, an EPDM seal, a smooth part and a nut

Each element of the coupling can be sold separately as spare parts (specify the diameter of the connection and whether it is a welding or expanding coupling).
