Code bobet : **21112 : S. M**

Selling Unit : **Unit**

Non-contractual pictures

**CHARACTERISTICS**

Sans fixe-gant

Avec fixe-gant

- Polyurethane without lining
- Thickness : 200 μ (+/- 10%)
- Weight : 250 g/m² (+/- 10%)
- Colour : blue
- Size M
- Ambidextrous (suits for right- and left-handed)

APPLICATIONS :

The glove clip is an exclusive system that allows the chainmail glove to fit the shape of the hand and makes it easier to grip small objects

WASH :

- Cleaning by brushing with soap and hot water at 80°C or in a mixture of water and mild detergent. Do not use toxic cleaning products.
- Rinse with water

STANDARDS :

- Complies with EU regulation N°10/2011 concerning plastic materials and objects intended to come into contact with foodstuffs.
