Tag Fast Mark III™ Staple Gun

Designed for the food industry, the Tag Fast staple gun is made from corrosion-resistant materials and a rubber cord. It features a reinforced needle locking system and drainage holes for easy debris removal.

- Integrated needle cutter
- Comes with a long stainless steel needle (code 26387)
- ideal for large, hard carcasses with its long needle

The tool's ergonomic design with an easy-to-press mechanism makes it easy to use for efficient applications

Compatible with Avery staples codes 11646, 21894, 4454, and all staples 20 mm or larger
