Weight : 1800 g
- Code 17557 - dimensions L.56 x H.100 cm - Suitable for operators between 158 and 200 cm and with a chest size between 90 and 120 cm
Weight : 2070 g
- Code 17558 - dimensions L.56 x H.115 cm - Suitable for operators between 165 and 220 cm and with a chest size between 90 and 120 cm
Weight : 2250 g
- Code 24150 - dimensions L.64 x H.115 cm - Suitable for operators between 165 and 220 cm and with a chest size between 100 and 140 cm
Weight : 2520 g

APPLICATIONS :

The tunic pinafore apron is suitable in work situations where the level of risk is high, such as: When using narrow knives for deboning large carcasses OR when the tip of the knife is directed towards the body.

WASH :

Cleaning is done by vigorous brushing or by jets under pressure with hot (50 °C) soapy water or in a mixture of water and mild detergent. Rinse with water - minimum temperature of 82 °C.

Do not use toxic products for cleaning or rinsing.

For disinfection, use only products authorized by the veterinary services. The use of high doses of chlorine is not recommended. Store the tunic, after cleaning, in a dry and ventilated place.

STANDARDS :

Complies with Regulation (EU) 2016/425 on personal protective equipment (category III).

Complies with European standards:

- Standard EN ISO 13688 (2013): Protective clothing - General requirements

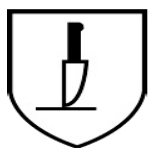

- Protective clothing: EN 13998:2003 level 2
