Non-contractual pictures

**CHARACTERISTICS**

- Composition: 70% polyester, 30% polyamide
 - Size: 40x40 cm
 - Weight: 300 g/m²
 - Color: blue
-
- Perfect results on glass, tables, mirrors, bay windows, and windows
 - Leaves no streaks or particles after use
 - An essential tool for cleaning windows or any glass surface
 - Its unique weave gives the towel a double-sided finish:
- * The textured side for applying glass cleaner
 - * The smooth side for wiping and finishing with a shine

APPLICATION / MAINTENANCE :

Machine washable at least 200 times between 30 and 60°C without fabric softener or bleach.

PACKAGING :

Pack of 5
